

Instructions to enable access to DMC's web ordering system

DMC's online ordering system utilises cookies for security and privacy reasons. This document is intended for users using Microsoft Internet Explorer to access DMC Outsourcing's online ordering. The instructions in this document are based on Microsoft Internet Explorer 6 Service Pack 1. Different versions of Microsoft Internet Explorer may vary slightly in the layout. Please refer to your IT systems administrator if other web browsers other than Microsoft Internet Explorer are being used.

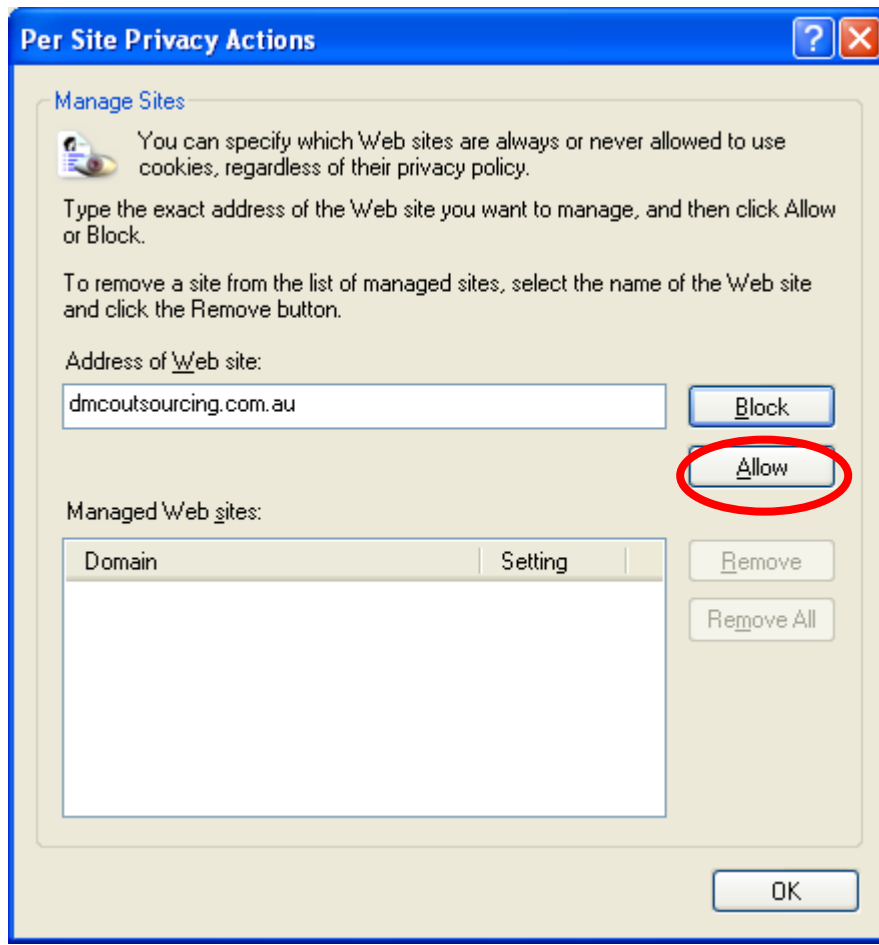

1. Please open "Internet Explorer". Click on "Tools" and then "Internet Options..." (Please refer to the diagram below).

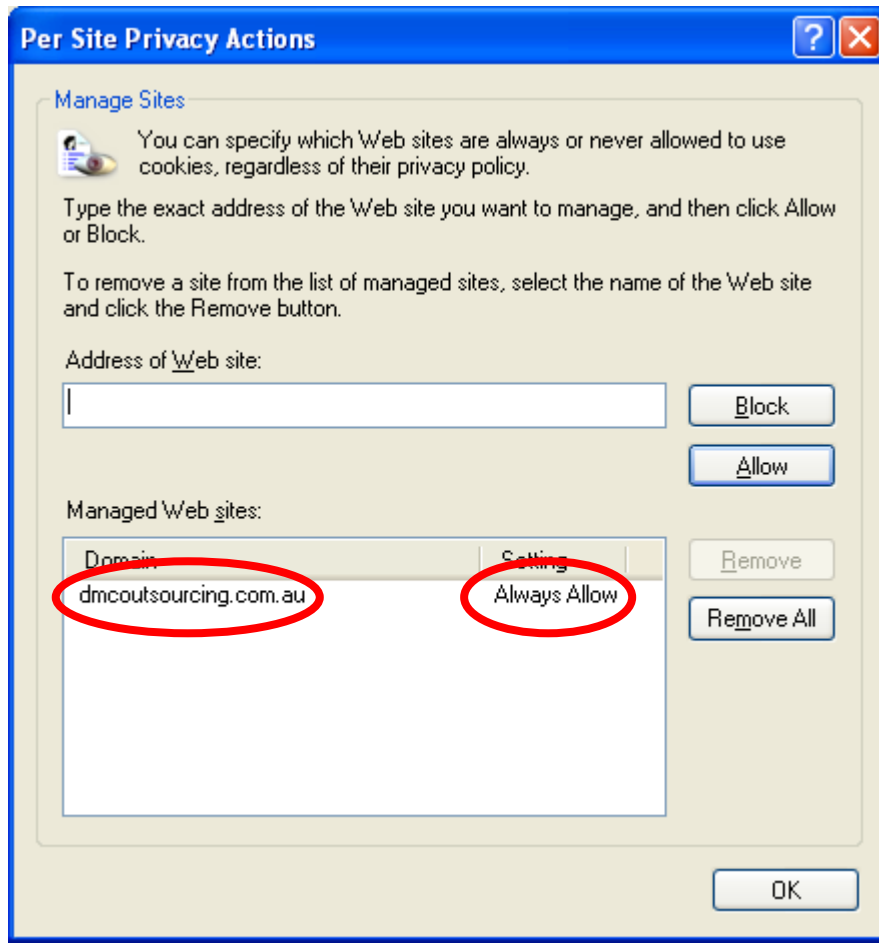

2. Now click on the “Privacy” tab on the top and then click on “Edit...” (Please refer to diagram below)

- Next type in “dmcoutsourcing.com.au” (please leave out the double quotes) in the “Address of Web site:” box and click on allow (please refer to diagram below).

4. Please ensure the domain name “dmcoutsourcing.com.au” is displayed in the “Managed Web sites:” box and the setting for it is “Always Allow” (please refer to diagram below).

5. Please repeat step 3 and 4 for the domain “e-quantum2k.com”.
